

particular member or member organization may be asserted even after the posting period has run under By-Law Article XV, Section 15-4. However, it is extraordinarily rare that claims against a membership transfer are submitted to the Exchange, as such matters are usually settled by the parties prior to the effectiveness of a transfer.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5)⁶ in particular, because it is designed to perfect the mechanism of a free and open market and a national market system, to promote just and equitable principles of trade, and to protect investors and the public interest by providing a reduction of the posting period from 14 to seven days while retaining appropriate notice of applicants for membership and participation and transfers of memberships and preserving members' ability to submit information concerning the qualifications and fitness for membership of applicants.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange did not solicit or receive written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Phlx consents, the Commission will:

(A) by order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and

arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should fix six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx. All submissions should refer to the File No. SR-Phlx-2001-74 and should be submitted by October 17, 2001.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷
